

# » smart Motability Scheme.

Your keys to the city.

1 October – 31 December 2020.

smart

# » Introduction.

Under the Motability Scheme you can swap your government mobility allowance for a new smart.\* Better still, they're available now for less than your weekly Motability allowance.

The Motability Scheme benefits include:

A new smart every 3 years

Insurance, servicing and maintenance

Full breakdown assistance

Nominate up to two other drivers and pay a little extra for a third

Replacement tyres and repair or replacement windscreen

60,000 mileage allowance over 3 years

Many adaptations at no extra cost

Annual tax

\*You can apply for the Motability Scheme if you receive any of the following: higher rate mobility component of the Disability Living Allowance; enhanced rate mobility component of the Personal Independence Payment; War Pensioners' Mobility Supplement; or Armed Forces Independence Payment.

Official government fuel consumption figures in mpg (litres per 100km) for the smart range: combined .0(0)-.0(0). CO<sub>2</sub> emissions\* from 0-0 g/km.

The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Battery Electric Vehicles (BEV) figures determined with battery fully charged. These models require mains electricity for charging. \*Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO<sub>2</sub> figures can be found at <http://www.mercedes-benz.co.uk/WLTP>
